Are you a first-year teacher?  YES  NO  
 Were you a student member last year?  YES  NO  
 Have you ever been a member of NEA  YES  NO If so, when and what local? \_\_\_\_\_

I hereby authorize the Metropolitan Nashville Board of Public Education to deduct from my paycheck annual dues for the United Education Profession and political action contributions as indicated plus the political action contributions for MNEA-PACE and the TEA Fund for Children and Public Education included in my MNEA and TEA dues as established by the governance documents of the respective organization. My membership authorization will continue until revoked in writing to the president of MNEA in accordance with the continuing member provision noted above. I agree to hold the Metropolitan Nashville Board of Public Education harmless for these deductions. *The MNEA Constitution and Bylaws* will prevail over any conflicting provision of this form.

\*The National Education Association Fund for Children and Public Education (NEA Fund) collects voluntary contributions from Association members and uses these contributions for political purposes, including but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. The local and state association political action committee performs similarly with local and state elections. Contributions to The NEA Fund for Children and Public Education and state and local PACE are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although The NEA Fund for Children and Public Education requests an annual contribution of \$15, this is only a suggestion. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights, or benefits in NEA or any of its affiliates. The dues herein include a \$4 contribution.

0.0382 of TEA dues and .025 of MNEA dues support Government Relations activities. The funds used for political support are not tax deductible and will be used for other purposes upon written request. Dues payments and contributions or gifts to The NEA Fund for Children and Public Education, or to TEA Fund and MNEA-PACE are not deductible as charitable contributions for federal income tax purposes. However, dues payments (or a portion) may be deductible as a miscellaneous itemized deduction. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year.

Federal law prohibits The NEA Fund from receiving donations from persons other than members of NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates, and their immediate families, will be returned forthwith.
